PROFESSIONAL SUMMARY

I am an industrious, motivated, and highly productive young man. As a computer science student, I have developed a strong passion for programming, networking development, and emerging technologies. I am eager to apply the knowledge and skills I have gained throughout my academic journey to real-world projects and challenges. The opportunity to work with your institution would provide me with the ideal platform to enhance my practical experience and expand my understanding of the industry.

WORK EXPERIENCE

Census Enumerator Nakuru County

August 2019

- Identifying boundaries for the Enumeration Areas (EAs), locating all structures and visiting every household to list all the usual members in the EA assigned to them before the enumeration exercise.

PERSONAL PROJECTS

Portfolio Website

I worked on this web app on on Jun 17, 2022

- Is a web application that shows a template of how a personal portfolio website should look like
- built using HTML, CSS etc.
- Link: <https://github.com/NallySam/my-portfolio>

And many others on my GitHub channel.
